Guidance Notes of completing the Wholesale Client Certificate:

In determining the net assets of the person, the net assets of a company or trust controlled by the person may be included in the calculations.

In determining the gross income of the person, the gross income of a company or trust controlled by the person may be included in the calculations.

Refer section 708(8)(d) and section 761G(7). For this purpose "control" has the meaning given to it in section 50AA of the Corporations Act 2001 and, in general, means having the capacity to determine the outcome of decisions about the relevant company's or trust's financial and operating policies.

A list of approved foreign eligible professional bodies is listed by ASIC at:
